In re:

Rm No. 8082

To: Chief
Policy and Rules Division

PETITION FOR RULE MAKING

Herman L. Jones, President of FM Station KIRC (FM), Seminole, OK, Formally KSLE (FM) and pursuant to Section 1.401 of the Rules of the Commission, hereby submits his Petition for Rule Making to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules as follows:

	<u>Present</u>	<u>Proposed</u>
Seminole, OK	288A	290A

We seek to amend from Channel 288A to Channel 290A, consistent with the Commission's policy of encouraging applicants to upgrade their facilities on the co-channel. Amendment of the Commission's Rules Regarding Modification of FM Broadcast Licenses to Higher Class Co-Channel or Adjacent Channels, 60 RR2d 114,118 (1986).

The attached spacing study demonstrates that the proposed Amendment is fully spaced to all existing and proposed facilities.

KIRC is the only station licensed to Seminole, Ok. We are short spaced on the North by KKND of Stillwater, Ok and KXXX of Chickasha, OK to the west. See the attached Exhibit. Alleviating the short spacing will allow us to cover a larger area thus benefiting our community.

For the foregoing reasons, I respectfully request that the Commission issue a Notice of Proposed Rule Making proposing the amendment of the FM Table of Allotments as proposed above be granted accordingly.

KIRC is ready, willing and able to make the change and will file a 301, Minor Application upon granting our petition.

Respectfully submitted,

Herman L. Jones
President
